Explanatory Memorandum

1. Introduction

This Explanatory Memorandum is provided to shareholders of **D'Aguilar Gold Limited ABN 67 052 354 837 (Company)** to explain the resolutions to be put to Shareholders at the General Meeting to be held at Level 7, Waterfront Place, 1 Eagle Street, Brisbane, Qld, 4000 on 22 May 2009 commencing at 10.00am (Brisbane time).

The Directors recommend shareholders read the accompanying Notice of Meeting and this Explanatory Memorandum in full before making any decision in relation to the resolutions.

Terms used in this Explanatory Memorandum are defined in Section 9.

2. Resolution One – Ratification of Previous Issue of Shares

Resolution 1 seeks the ratification of shareholders for the previous issue of 13,600,000 fully paid ordinary shares (**Placement Shares**) to the recipients listed in Annexure A (together **the Recipients**).

2.1 Listing Rule 7.4

In accordance with Listing Rule 7.4, shareholder approval is sought to ratify the issue of the Placement Shares, being an issue of securities made by the Company during the previous 12 months for which shareholder approval has not already been obtained.

Listing Rule 7.1 prohibits a company, except in certain cases, from issuing new equity securities equivalent in number to more than 15% of its capital in any 12 month period without the prior approval of its shareholders. Equity securities issued with shareholder approval under Listing Rule 7.1 do not count towards the 15% limit.

Listing Rule 7.4 provides that an issue of equity securities made without prior approval under Listing Rule 7.1 can be treated as having been made with that approval if shareholders subsequently approve it.

For the purposes of Listing Rule 7.5 the Company advises as follows:

- The number of Placement Shares issued to the Recipients was 13,600,000 fully paid ordinary shares.
- The Placement Shares were issued at 3.5 cents per Placement Share raising a total of \$476,000.
- The Placement Shares were issued on 7 April 2009.
- The Placement Shares issued to the Recipients rank pari passu with the existing ordinary shares on issue in the Company.

3. Resolution Two – Participation by Related Party in Underwriting of SPP

3.1 Introduction

On 26 March 2009, the Company announced that it would be undertaking a Share Purchase Plan to Shareholders at 3.5 cents per share to raise up to \$1,600,000 (**SPP**).

Samuel, a company associated with Nicholas Mather, the Managing Director of the Company, has agreed to partially underwrite the SPP to an amount of \$600,000.

3.2 Listing Rule 10.11

Listing Rule 10.11 requires shareholder approval for a company to issue equity securities to a related party.

A "related party" for the purposes of the Listing Rules is defined widely and includes a director of the public company or an entity controlled by a director of the public company.

Samuel is controlled by Nicholas Mather, a director of the Company.

Approval for the participation by Samuel in the SPP, in the event of a shortfall (up to a maximum of \$600,000) pursuant to the terms of the SPP Underwriting Agreement, is sought in accordance with the provisions of Listing Rule 10.11. If approval is given under Listing Rule 10.11, approval will not be required under Listing Rule 7.1.

The Company believes that all information required pursuant to Listing Rule 10.13 is contained in the Notice of Meeting and this Explanatory Memorandum.

3.3 Underwriting terms

The Company has entered the SPP Underwriting Agreement in respect of the SPP and has agreed to partially underwrite the SPP to an amount of \$600,000.

Samuel will be paid by the Company an amount equal to 5% of the amount underwritten (\$30,000) (**SPP Underwriting Fee**) by way of cash or, at Samuel's election, by the issue of shares at an issue price of 3.5 cents per share in lieu of a cash payment.

The SPP Underwriting Agreement is on terms and conditions ordinarily found in an underwriting agreement for underwriting a listed company SPP.

The SPP Underwriting Agreement is conditional upon shareholder approval for the participation by Samuel in the SPP by way of underwriting. If this condition is not satisfied on or before 22 May 2009 the Company or Samuel may elect to terminate the SPP Underwriting Agreement in which case the SPP Underwriting Fee will still be payable by the Company to Samuel.

Where the Company does not hold applications for the number of underwritten shares (being 17,142,857) under the SPP (**Shortfall**) and the SPP Underwriting Agreement has not been terminated in accordance with its terms, Samuel must then lodge applications to cover the Shortfall arising under the SPP.

If the requisite shareholder approval is not obtained on or before 22 May 2009 and neither the Company nor Samuel elect to terminate the SPP Underwriting Agreement, Samuel will be required to lodge applications to cover the Shortfall arising under the SPP from third parties who do not require any approvals at law to be obtained prior to the issue of such shortfall shares.

As the SPP is only partially underwritten, the obligation on Samuel to lodge applications to cover the Shortfall is limited to a maximum amount of 17,142,857 Shares (or an amount of \$600,000).

The SPP Underwriting Agreement includes ordinary termination rights for the Underwriter, including where:

- (a) the Company fails to obtain approval for the participation by Samuel in the SPP by way of underwriting;
- (b) the Company does not proceed with the SPP, withdraws the SPP or terminates the SPP;
- (c) there is a material adverse change in the assets and liabilities, financial position or performance, profits and losses or prospects of the Company;
- (d) the S & P/ASX 200 Index is, at any time on 2 consecutive Business Days after the date of the SPP Underwriting Agreement and prior to the allotment date, more than 10% below the level of that Index at the close of ASX trading on the Trading Day before the date of the SPP Underwriting Agreement;
- (e) ASX approval is refused or not granted, other than subject to customary conditions, to the official quotation of all of the SPP Shares on ASX, or if granted, the approval is subsequently withdrawn, qualified (other than by customary condition) or withheld;

- (f) the Company (or any of its subsidiaries) breaches any material obligations of the SPP Underwriting Agreement or commits a material contravention of a law, the Listing Rules or its constitution;
- (g) an event specified in the timetable is delayed for more than two business days other than in certain circumstances;
- (h) there is a suspension of quotation or material limitation in trading in the Shares on ASX;
- (i) there is an adverse change or disruption to the political or economic conditions or financial markets of Australia, the United Kingdom, the United States of America or the international financial markets or any change or development involving a prospective adverse change in any of these conditions or markets in each case the effect of which is that, in the reasonable opinion of the Underwriter reached in good faith after consultation with the Company, it is impracticable to market the SPP or to enforce contracts to issue, allot or transfer the SPP Shares or that the success of the SPP is likely to be materially adversely affected.

3.4 Impact on Director's interest in the Company

As noted above, Samuel is controlled by Nicholas Mather, a Director of the Company. Details of the interest of Nicholas Mather, together with the interests of his associated entities (including Samuel) in the Company are set out in Annexure B.

4.1 Introduction

The Company has entered the Placement Underwriting Agreement in respect of the Placement and has agreed to underwrite the full amount of the Placement (being \$476,000). The Placement Underwriting Agreement is on terms and conditions ordinarily found in an underwriting agreement for underwriting a listed company share placement.

Pursuant to the terms of the Placement Underwriting Agreement, Samuel will be paid by the Company an amount equal to 5% of the amount underwritten (\$23,800) (**Placement Underwriting Fee**) by way of cash or, at Samuel's election, by the issue of shares at an issue price of 3.5 cents per share in lieu of a cash payment.

4.2 Listing Rule 10.11

Listing Rule 10.11 requires shareholder approval for a company to issue equity securities to a related party.

A "related party" for the purposes of the Listing Rules is defined widely and includes a director of the public company or an entity controlled by a director of the public company. Samuel is controlled by Nicholas Mather, a director of the Company.

The Company seeks approval in accordance with the provisions of Listing Rule 10.11 for the issue of shares to Samuel pursuant to the terms of the Placement Underwriting Agreement in the event that Samuel elects to receive the Placement Underwriting Fee by way of issue of shares at an issue price of 3.5 cents per share. If approval is given under Listing Rule 10.11, approval will not be required under Listing Rule 7.1.

The Company believes that all information required pursuant to Listing Rule 10.13 is contained in the Notice of Meeting and this Explanatory Memorandum.

As noted above, Samuel is controlled by Nicholas Mather, a Director of the Company. Details of the interest of Nicholas Mather, together with the interests of his associated entities (including Samuel) in the Company are set out in Annexure B.

Further details of the terms of the SPP Underwriting Agreement are set out in section 3 above.

Listing Rule 10.11 requires shareholder approval for a company to issue equity securities to a related party.

A "related party" for the purposes of the Listing Rules is defined widely and includes a director of the public company or an entity controlled by a director of the public company. Samuel is controlled by Nicholas Mather, a director of the Company.

As announced by the Company to the ASX on 2 October 2008, the Company's subsidiary Anduramba, raised an amount of \$500,000 by the issue of converting notes to Tenstar Trading Limited (**Tenstar Notes**).

Under the terms of the Tenstar Note Deed, if Anduramba has not achieved a stock exchange listing of Anduramba or a trade sale (each a Conversion Event) prior to expiration of the term of the notes issued pursuant to the Tenstar Note Deed (30 April 2009) then the Tenstar Notes will convert into fully paid ordinary shares in the Company at the higher of 5 cents per Share or the volume weighted average price for the 21 trading days for Shares prior to conversion.

At the 2008 Annual General Meeting of the Company Shareholders approved the issue of up to 10,000,000 fully paid ordinary shares in the Company or Anduramba on conversion of the Tenstar Notes in accordance with the terms of the Tenstar Note Deed.

A coupon rate of 10% per annum was to be applied to the Tenstar Notes which would accrue and be paid on maturity or conversion (as the case may be). The value of the accrued but unpaid interest was to be paid as notes on the same terms and conditions as the Tenstar Notes. Anduramba and the Company have previously informed Tenstar that in the current climate a Conversion Event of the requisite kind was not likely to be achieved by 30 April 2009 and accordingly, the Interest Notes will, at the election of Tenstar, be converted into Shares in the Company rather than shares in Anduramba.

As at 30 April 2009, the maturity date for the Tenstar Notes, the interest on the Tenstar Notes will convert into 29,155 Interest Notes with a face value of \$1.00 each.

Tenstar, Anduramba and the Company have reached agreement that subject to shareholder approval being obtained, all liability of both Anduramba and the Company under the Tenstar Note Deed in respect of the conversion of the Interest Notes will be discharged by the Company issuing 583,100 Shares to Tenstar at an issue price of 5 cents each (**Tenstar Interest Shares**).

In the event that shareholder approval is not obtained to issue the Tenstar Interest Shares, Tenstar shall be entitled to elect to require redemption of the Interest Notes and payment in full of the face value of the Interest Notes.

The table in Annexure C sets out the shareholding position of Tenstar depending upon the outcome of the resolutions at this meeting and the shares issued pursuant to the SPP.

8.2 Listing Rule 7.1

In accordance with Listing Rule 7.1, shareholder approval is sought to the issue of the Tenstar Interest Shares to Tenstar.

Listing Rule 7.1 prohibits a company, except in certain cases, from issuing new equity securities equivalent in number to more than 15% of its capital in any 12 month period without the prior approval of its shareholders.

For the purposes of Listing Rule 7.3 the Company provides the following information (in addition to information contained in the Notice of Meeting and elsewhere in this Explanatory Memorandum):

- (a) 583,100 Shares will be issued to Tenstar.
- (b) The Tenstar Interest Shares will be issued in consideration for Tenstar agreeing to redemption of the Tenstar Interest Notes. Accordingly no funds will be raised from the issue of the Tenstar Interest Shares.
- (c) The Tenstar Interest Shares will rank pari passu with the existing ordinary shares on issue in the Company and the rights attaching to the Tenstar Interest Shares will be identical in all respects to the existing ordinary shares on issue in the Company.
