ASX Listing Rule 3.1 deals with the continuous disclosure requirements that the Company must satisfy. (“Material Information”).

- 3) A reasonable person would not expect the information to be disclosed.

The Listing Rules also provide that if the ASX considers that there is or is likely to be a false market in the Company’s securities, the ASX may ask DGR Global to disclose information or make a statement to correct or prevent a false market. This may occur where there is market speculation or media reports arising from a leakage of confidential information concerning a proposal or negotiations that have not been disclosed by the Company because one of the exceptions in 3.1A applies. DGR Global must immediately give the ASX that information.

Information must not be selectively disclosed to others, such as prospective shareholders, the media or analysts, before it is disclosed to the ASX.

It is the responsibility of each director, officer and employee to advise any of the Managing Director, Company Secretary or senior executives immediately in relation to any information about the
