

2017 Corporate Governance Statement

The Board of Directors of DGR Global Limited ("the Company") is responsible for the corporate governance of the Company. The Board guides and monitors the business affairs of DGR Global Limited on behalf of the shareholders, by whom they are elected, and to whom they are accountable.

Throughout the financial year ended 30 June 2017, and as at the date of this statement, DGR Global Limited's Corporate Governance Statement has been adopted and structured with reference to the Australian Securities Exchange ("ASX") Corporate Governance Council's (the "CGC") *Corporate Governance Principles and Recommendations* (3rd Edition).

The Company's practices are largely consistent with the CGC recommendations, and the Board has made appropriate statements reporting on the adoption of the recommendations. Where the Company's corporate governance practices do not correlate with the practices recommended by the CGC, the Company is working towards compliance; however it does not consider that all practices are currently appropriate for the Company due to the size and scale of its operations. The Board has offered full disclosure and reasons for the adoption of Company practices, in compliance with the "if not, why not" regime, and these are summarised in Appendix 4G and this Corporate Governance Statement.

The Board is of the view that with the exception of the departures from the ASX Guidelines noted below it otherwise complies with all of the ASX Guidelines.

The information in this statement is current as at 29 September 2017 and has been approved by the Board.

LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1: Role of Board and Management.

Generally, the roles and responsibilities of the Board are governed by the Corporations Act and the general law. The Board drives and monitors the business and affairs of the Company on behalf of the shareholders by whom they are elected and to whom they are accountable; and

ensures compliance with all of its contractual, statutory and any other legal obligations by any regulatory body. The Board is also providing input that assists in identifying and understanding emerging trends and issues; setting the broad framework within which the strategic and business plans will be prepared each year; recommending any significant shifts in the broad strategic direction of the Company; and reviewing, developing and approving the Company's long-term strategic plan and ensuring the Company develops annual business plans to achieve its strategic objectives.

Without limiting the general role of the Board, the principle functions and responsibilities include the matters set out below, subject to delegation to the Managing Director and senior management as specified elsewhere in this statement or as otherwise appropriate:

- ensuring compliance with the Corporations Act, ASX Listing Rules (where appropriate) and all relevant laws;
- developing, implementing and monitoring operational and financial targets for the Company;

- oversight of the Company including its framework of control and accountability systems to enable risk to be assessed and managed;

- ratifying the appointment of and, where appropriate, removal of the Chief Financial Officer and the Company Secretary;
- input into and final approval of the management's development of corporate strategy and performance objectives;
- reviewing and ratifying systems of risk management and internal compliance and control, codes of conduct and legal compliance;
- monitoring senior management's performance, implementation of strategy and ensuring appropriate resources are available;
- approving and monitoring the progress of major capital expenditure, capital management and acquisitions and divestitures;
- approval of the annual budget;
- monitoring the financial performance of the Company;
- liaising with the Company's external auditors;
- monitoring, and ensuring compliance with, all of the Company's legal obligations;
- approving and monitoring financial and other reporting;
- appointing and overseeing Committees where appropriate to assist in the above functions and powers.

The Board has delegated to the Managing Director day-to-day responsibility for running the affairs of the Company and to implement the policies and strategy set by the Board. The Board also delegates to senior management the responsibilities for the day-to-day activities leading toward achievement of the Company's strategic direction with agreed boundaries and authority limitations.

Recommendation 1.2: Information Regarding Election and Re-election of Director Candidates.

The policies and procedures for the selection and appointment of new Directors is that candidates are considered and selected by reference to a number of factors which include, but are not limited to, their relevant experience and achievements, compatibility with other Board members, and credibility within the Company's scope of activities. Directors are initially appointed by the full Board subject to election by shareholders at the next Annual General Meeting.

The Company has appropriate procedures in place to ensure that material information relevant to a decision to elect or re-elect a Director (including whether Directors support the election or re-

election) is disclosed in the notice of meeting provided to shareholders.

At each Annual General Meeting the following Directors automatically retire and are eligible for re-appointment:

- any Director other than the Managing Director who has been elected in the office for a period in excess of three consecutive years or until the third annual general meeting following her/his appointment, whichever is longer, without submitting him/herself for re-election;
- any Director who was appointed by the Directors during the year to fill a casual vacancy or as an addition to the existing Directors;
- one-third of the Directors or, if their number is not a multiple of three, then the greatest of one or the number nearest to but not exceeding one-third. Managing Director is exempt from this requirement.

Recommendation 1.3: Written Contracts of Directors and Senior Executive Appointment.

New Directors receive the letter of appointment and a deed of indemnity, insurance and access. Non-Executive Directors are not appointed for fixed terms. Executive Directors have written service contracts which set out the material terms of employment, including a description of position and duties, reporting lines, remuneration arrangements and termination rights and entitlements.

Each senior executive enters into a service contract which sets out the material terms of employment, including a description of position and duties, reporting lines, remuneration arrangements and termination rights and entitlements. Contract details of senior executives which are key management personnel are summarised within the Remuneration Report in the Annual Report which can be accessed on the Company's website at www.dgrglobal.com.au.

Recommendation 1.4: Company Secretary.

The Company Secretary is accountable directly to the Board (through the Chairman) for facilitating the Company's corporate governance processes and proper functioning of the Board. Each Director is entitled to access the advice and services of the Company Secretary.

In accordance with the Company's Constitution, the appointment and removal of the Company Secretary is a matter for the Board as a whole.

A copy of the Constitution is available on the Company website under Corporate Governance and the details and experience of the Company Secretary are set out within the Directors' Report contained in the Annual Report.

Recommendation 1.5: Diversity.

The Board has adopted a Diversity Policy in accordance with the ASX Corporate Governance recommendations. The Company recognizes and values the potential competitive advantages associated with diversity (including gender, age, ethnicity and cultural background) and the benefits of its integration throughout the Company. The Company aims to attract, nurture and develop the collective skills and diverse experience and attributes of personnel within the Company.

When the Board considers that the Company to be of sufficient size, having regard to the nature and scale of its operations, it will seek to develop, measure and monitor strategies, initiatives, programs and objectives for the achievement of diversity within its personnel, executives and Board as appropriate.

Notwithstanding its Diversity Policy, the Company will maintain the principal criteria for the selection and promotion of current and prospective employees as their prospect of adding value to the Company and enhancing the probability of the Company achieving its business objectives, having regard to their relative experience, and the nature of the industry in which the Company operates.

There are currently six female Employees working for the Company and one female at executive level, but no one at Board level. The Company reports the above information in line with the ASX Corporate Governance recommendations, accurate at the time of the publication:

The Board believes that the Company is not currently of a sufficient size to warrant the establishment of formal measureable diversity objectives.

Recommendation 1.6: Board Review

The Board did not conduct a performance evaluation during the last 12 months and has not adopted a performance evaluation policy.

The Company believes that the small size of the Board and the current scale of the Company's activities make the establishment of a formal performance evaluation procedure unnecessary. Performance evaluation is a discretionary matter for consideration by the entire Board. In the normal course of events the Board reviews performance of the management, Directors and the Board as a whole. Achievement of goals and business development and compliance issues are evaluated regularly on an informal basis.

The Board is provided with the information it needs to discharge its responsibilities effectively. All Directors have access to corporate governance policies and material contracts entered into by the Company. The Directors also have access to the Company Secretary for all Board and governance-related issues.

Recommendation 1.7: Management Reviews.

The Board has established separate remuneration and nomination committees, which are responsible for the proper oversight and review the performance of the senior executives. These evaluations take into account criteria such as the achievement and performance towards the Company's objectives and (where appropriate) performance benchmarks and the achievement of individual performance objectives. However, the committees also recognize the need for flexibility in defining performance objectives which must reflect the current status of the Company still being exploration and development stage.

During the reporting period, informal performance evaluations of the senior executives was undertaken by the Company in accordance with these procedures.

STRUCTURE THE BOARD TO ADD VALUE

Recommendation 2.1: Nomination Committee.

The Board has established a nomination committee, which is comprised of three Non-Executive Directors:

- Mr. Vincent Mascolo - Non-Executive Independent Director (Chairman of the Committee)
- Mr. William (Bill) Stubbs - Non-Executive Independent Director
- Mr. Brian Moller - Non-Executive Director

A majority of the committee members are independent Directors and it is chaired by an independent Director Mr Vincent Mascolo.

There is no requirement that the Nomination Committee meet a set number of times or intervals during a year. Rather, the Committee will meet at such intervals as required to fulfill its obligations. There were no meetings to be held in this financial year.

The Company has adopted a Nomination Committee Charter, which is available on the Company website under Corporate Governance.

Recommendation 2.2: Board Skills Matrix.

The Company seeks to ensure the Board comprises an appropriate and diverse mix of skills and experience to oversee the business of the

Company. Details of the current Directors, their skills, experience, qualifications and record of attendance at meetings are included in the Directors' Report.

SKILLS	INDUSTRY
Commercial & mining law	Mining resource
Project and corporate development	Funds management
Corporate restructuring	Corporate advisory and broking
Mergers and acquisitions	Legal
Corporate finance/accounting	Accounting
Corporate strategy and development	Corporate and listed ASX

Recommendation 2.3: Disclose Independence and Length of Service.

Recognising the importance of the appropriate balance between independent and non-independent representation on the Board, the Company has developed a formal "Assessing the Independence of Directors" Policy, which can be accessed from the Company website under Corporate Governance.

The Board of the Company is comprised of:

- Mr. William (Bill) Stubbs - Non-Executive Chairman
- Mr. Nicholas Mather - Managing Director (MD) and Chief Executive Officer (CEO)
- Mr. Brian Moller - Non-Executive Director
- Mr. Vincent Mascolo - Non-Executive Director

In accordance with the Council's definition of independence set in the box 2.3 under Corporate Governance guidelines, the following Directors are not considered to be independent:

Name	Position	Reason for non-compliance
Nicholas Mather	Executive Director	Mr. Mather is employed by the Company in an Executive capacity
Brian Moller	Non-Executive Director	Mr. Moller is a principal of a material professional advisor to the Company

Non-Executive Chairman Mr. Bill Stubbs and Non-Executive Director Mr. Vincent Mascolo are considered to be independent Directors as defined in the ASX Guidelines. Thus the Company is of the view that the Board does not consist of a majority of independent Directors. DGR Global considers industry experience and specific expertise, as well as general corporate experience, to be important attributes of its Board members. The Directors noted above have been appointed to the Board of DGR Global due to their considerable industry, corporate and legal experience.

The Board will consider appointing further independent Directors in the future, when the Company is of sufficient size, having regard to the scale and nature of its activities.

In the meantime, the Company believes that given the size and scale of its operations, non-compliance by the Company with this recommendation will not be detrimental to the Company or its shareholders.

The length of service of each Director can be found at the Directors' Report in the Annual Report.

Recommendation 2.4: Majority of Directors to be Independent.

Refer to Recommendation 2.3.

Recommendation 2.5: Chair Should be Independent.

The Non-Executive Chairman, Mr. Bill Stubbs, is considered to be independent in accordance with the ASX guidelines.

Recommendation 2.6: Induction and Personal Development.

The Company does not have a formal structured induction program, however to familiarise themselves with the Company and its practices

and procedures, DGR Global has available to Directors upon request, via the Company Secretary:

- any minutes of meeting of shareholders of the Company;

The Company encourages and recommends all Non-Executive Directors to attend relevant external seminars, conferences and educational programs for expanding their knowledge base and professional skills. Directors also have the right, in connection with the discharge of their duties and responsibilities, to seek independent professional advice at the Company's expense in accordance with the agreed procedure set up by the Board. For a new Director the Company Secretary will provide the following documents:

- letter of Appointment including appointment terms, Director's duties and obligations, and Directors entitlements;
- consent to Act, which requires a formal written consent to become a Director, containing the minimum information required by the Company;
- Deed of Indemnity, Insurance and Access.

ACT ETHICALLY AND RESPONSIBLY

Recommendation 3.1: Code of Conduct.

The Company has established a Code of Conduct for the Board, management and employees of the Company. The Codes require that Directors, management and employees maintain high standards of integrity by ensuring that all business activities are conducted legally and ethically in compliance with the letter and spirit of both the law and Company policies. A copy of the Code of Conduct can be accessed from the Company's website under Corporate Governance.
